S.V.S. HIGH SCHOOL, AGUMBE - 577 411. THIRTHAHALLI TQ., SHIMOGA DIST

## APPEAL

Dear Patrons,

"S.V.S. High School" is located in the tranquil little village of Agumbe. It was founded with the sole purpose of providing secondary school education to the rural students, who were deprived of the same, for want of a high school in Agumbe, and could not afford to travel to other places due to poverty. The school was founded by the "The Education Society", in association with "The Academy of General Education", Manipal in 1965.

The school, despite the geographic and economic limitations, gradually started building up good academic reputation and now achieved the distinction of being a model school in the entire district. A brochure containing a brief history, the academic environment, the present situation and the immediate needs of the school is enclosed.

While whole heartedly acknowledging the generous contribution of the "Academy of General Education", Manipal, who all along built and nurtured the institution, the society now solicits wholehearted support from philanthropists, guides and well wishers of the society, to maintain, run the school efficiently and also to build up the institution to become a model school in the state.

Though the school has good infrastructure facilities provided by the academy, there is a urgent need to build a fund base to take care of the immediate needs, which are listed in the brochure.

We appeal to individuals, business concerns, Institutions, to come forward with generous contributions to their noble cause.

"The Education Society" is registered under Karnataka Societies Registration Act, 1956 and has applied for exemption for the donations under Sec. 80G of Income Tax Act.

We earnestly, request your good selves to generously contribute to the cause of education, in favour of "**The Education Society**" and associate yourselves with the academic movement that is gaining momentum in the remote village on the western ghats, called "Agumbe".

With warm regards,

**President and Members**

The Education Society,  
Agumbe.
